This is a non-smoking establishment: New Jersey Smoke-Free Air Act (N.J.S.A.26:3D-55) prohibits smoking in all indoor public areas. VIOLATORS ARE SUBJECT TO FINE.

Smoking is strictly forbidden anywhere and at all times on the premises of the Shalimar Resort, including all guest rooms, any and all public areas such as the Office, Elevator, Laundromat, Game Room, Community Room and certain exterior locations. Any smoking or possession of a lighted cigarette, cigar, pipe or other lighted substance, in any guest room or any part of the premises defined above, by you or any of your guests shall be automatically deemed a violation of this smoke-free policy. Smoking is allowed outside only in designated areas equipped with an exterior ash receptacle provided by the motel. When smoking outside, guest room front doors and sliding glass doors should be closed at all times to prevent smoke from entering the guest room. No lit or previously lit substance shall enter any guest rooms at any times. All ashes or butts are to be disposed of only in outside ash receptacles provided by the motel and may not be taken into the rooms at any time. Smoking is allowed in the pool area, but not while seated in the lounge chairs.

Please be advised that any and all violations of this policy shall result in your immediate and permanent eviction from the premises. In no event shall you be entitled to any refund for the unused portion of your stay. In addition, you shall be held responsible for liquidation damages for each violation of this policy and any and all consequential damages. All such damages shall be automatically assessed on your bill, and you hereby waive any and all rights to contest such damages. We require a credit card authorization upon check-in.

When checking out, you must check through the office, and all occupants and personal items must be removed and the door locked.

A security deposit of \$250.00 will be authorized on your credit card. This authorization will be put towards any damages sustained in the room, both smoking and non-smoking related.

Irons are the cause of much damage within rooms. If you choose to use an iron in your room, you will be charged accordingly for all damage that is found upon check-out. An ironing board is provided for your use in the Guest Laundry Room at any time.

To Guarantee that you agree to all of these terms, please acknowledge your adherence to this smoke-free policy by signing below. All adults or children above the age of 18 are required to sign this notification. Thank you for your cooperation. We look forward to serving you and hope you have a pleasant stay.
